

rapid heart rate, psychosis, and agitation which may lead to suicide, cardiac arrest, or organ failure. In 2010, a constituent of mine named David Rozga committed suicide shortly after ingesting “K2” with his friends. After smoking the drug, David became highly agitated. His friends calmed him down, and he decided to go home. Not long afterward, however, he committed suicide. David’s death was one of the first in the United States attributed to synthetic drug use.

I worked with Senators KLOBUCHAR, SCHUMER, and FEINSTEIN, along with many others, to place many of these terrible drugs on the list of Schedule I controlled substances. I am grateful that the Senate and the House worked together to pass the Synthetic Drug Abuse Prevention Act of 2012. Our efforts were an important step in allowing the Drug Enforcement Administration to begin enforcement actions against those who are poisoning our communities.

However, new synthetic drugs have emerged since the passage of that law. In fact, the Drug Enforcement Administration has moved to administratively place an additional 17 chemical compounds on the list of schedule I narcotics in recent months. Included among these drugs is a compound called 5F-PB-22, which was blamed for the deaths of three young Iowans last year. Moreover, in just the past few days, police in Iowa have arrested six people and raided multiple stores in the Des Moines area for selling synthetic drugs. These tragic deaths and arrests of those pushing these substances underscore the ongoing need to raise awareness of these deadly drugs.

The good news is that people, including in my home State of Iowa, are fighting back against the scourge of synthetic drugs. The Rozga family has been active in sharing David’s story. They have also started a Web site, K2drugfacts.com, which creates a forum for other parents, friends, and people who have survived terrifying experiences with synthetic drugs to share their stories and spread the word that these drugs are destructive. Other anti-drug organizations and coalitions are raising public awareness in Iowa. For example, a local community group in Johnson County, Iowa called Iowans Against Synthetics has raised synthetic drug awareness throughout that county.

The National Youth Synthetic Drug Awareness Week resolution encourages other individuals and organizations throughout the country to continue their efforts to raise awareness about the deadliness of these drugs. I urge all my colleagues to join me in supporting this resolution.

TRIBUTE TO SEAN T. HAYES

• Mr. BENNET. Mr. President, it is a pleasure to congratulate Capt. Sean T. Hays on being selected for promotion to the rank of major within the U.S. Marine Corps.

Every day, the men and women of the Armed Forces make incalculable contributions to our society. Nearly 22 years ago, Major (select) Hays swore an oath to protect our Nation and to lead by example. Entering the Marine Corps as a private, the lowest rank, he has diligently worked his way up through the ranks and continues to serve as a role model for his peers.

I had the distinct honor of meeting Major (select) Hays while he was deployed in Afghanistan. He is one of Colorado’s best and brightest. His dedication to protecting his country speaks for itself, and I am confident that as a senior officer, he will continue to lead and protect with pride.

Congratulations to Major (select) Hays. I know his continued service will contribute to a stronger U.S. military and a safer nation.●

REMEMBERING THELMA SAYLER

• Mr. THUNE. Mr. President, I wish to honor the life of Thelma Sayler.

Thelma Sayler was born in Lynch, NE, on September 3, 1924, to Mads and Ruth (Christensen) Nelson. In 1927, she moved with her parents and younger sister, Donna Faye, in a Model T with the company of 24 chickens, to a one-room “shack” north of White River. Ten years later her father tore down an old house and hauled the lumber in the Model T, using it to build a new house for the family. They moved into their new house just 1 day before Christmas, where Thelma had her own bedroom, which was a mansion to her.

Since there were no boys, the girls helped with farming, ranching, and chores around the house. Thelma liked to remember how she, her sister and mother, during the dirty thirties, used aprons to shoo away the Mormon crickets to save their garden.

Thelma graduated from White River High School in 1942. After high school, she traveled with her Aunt and Uncle to Oregon to work in the shipyards during the war. When traveling, she sat in the back of a pickup on a chair. In 1949, Thelma, and her daughters Karen and Sharon, moved back to White River. A couple years later they moved north to the “Old Rassy Place.”

In 1953, Thelma accepted a teaching job at the Cottonwood School that was about 2 miles from their home. In 1954, she taught in Jones County. When she started teaching, she worked without certification for a number of years. She eventually started taking classes during the summer through Black Hills State Teacher College, and earned her bachelor’s degree in 1969. In 1971, Thelma and her family moved 10 miles north of White River to the “Teddy Fredericks Place,” where she then began teaching second grade in Murdo.

She taught in Murdo until retiring in 1987. Even after retirement, Thelma continued her passion to educate, which included volunteering at the school, substitute teaching, and even providing snacks for students and staff. Thelma was a lifelong member of the Cottonwood Ladies Aide and volunteered at the Mellette County Museum & Library, blood drives, and the Grand Stand Committee. She was also a longtime member of the United Methodist Church in Murdo.

Thelma Sayler passed away at the age of 89 on February 9, 2014, at her daughter’s house in White River. She will be forever remembered for her love of teaching and for all that she has done for her community.

I was among Thelma Sayler’s many students. She was a teacher in the truest and best sense of the word, and I am forever grateful for her investment in me. She was patient and kind but tough when needed—and most importantly, she was passionate about seeing kids learn and truly committed to her work. Like so many others who passed through her classroom, I was blessed to have her as a teacher and later in life to call her a friend.●

REPORT OF THE CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO IRAN THAT WAS DECLARED IN EXECUTIVE ORDER 12957 ON MARCH 15, 1995—PM 35

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to Iran that was declared on March 15, 1995, is to continue in effect beyond March 15, 2014.

The crisis between the United States and Iran resulting from the actions and policies of the Government of Iran has not been resolved. The Joint Plan of Action (JPOA) between the P5+1 and Iran went into effect on January 20, 2014, for a period of 6 months. This marks the first time in a decade that Iran has agreed to and taken specific actions to halt its nuclear program and to roll it back in key respects. In return for Iran's actions on its nuclear program, the P5+1, in coordination with the European Union, are taking actions to implement the limited, temporary, and reversible sanctions relief outlined in the JPOA.

Nevertheless, certain actions and policies of the Government of Iran are contrary to the interests of the United States in the region and continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency declared with respect to Iran and to maintain in force comprehensive sanctions against Iran to deal with this threat.

BARACK OBAMA,
THE WHITE HOUSE, March 12, 2014.
